

MAINTENANCE PLANS FOR YOUR
MASONRY

Kelly Masonry

Let us take the frustration out of keeping your masonry beautiful.

About Kelly Masonry

Originally from Ireland, owner John is a passionate mason. He has been doing masonry work and hardscaping since he was a kid. He learned his trade from authentic artisans, his dad, and uncles.

Kelly Masonry was created in 2002 in Springfield, Pennsylvania, continuing the family legacy for almost 20 years.

For us, masonry is not a job. It's a way of life because we love working & being outdoors. The honor of giving our clients outdoor spaces that make them happy is the cherry on top.
